Swim Outlet

Rory Coleman put together a presentation on our league having a contract with Swim Outlet. Dan will circulate the information to the league, after the meeting. The league would receive a 35% discount if we ordered their Sporti brand for our team suits. If we ordered other brands it would be 25% off. They do provide fit kits. A team banner would be given to each team. We would have to open a store with their website, if your team already doesn't have one. No minimum purchases required. Contract would be a minimum of three years. No out of pocket costs for each team

Treasurer's Report

Kelly noted that she has only received one check from Hasty for the awards of \$311.40. She is still waiting for the other bill. Total in account is \$5,713.87. League does not owe Tunkhannock for any of the shirts. The league made \$376.00 in sales from championship t-shirt sales.
