New Business

Discussion was had on the issues of Article XIII, League Record Rules, Section I – In all NEPAGSL sanctioned competition, league records may be achieved under the following circumstances.

E. It is understood that if a swimmer swims up an age group during a meet and breaks a record for his or her age group, that record will stand.

Dan will put wording into an email for an email vote on the new wording of the bylaw. The league agreed that this needed to be handled rather quickly; in case, this issue should arise at championships next weekend. Each team will have to read the email and vote on the new wording of the bylaw by early next week.
